

In light of our present situation there are a few options to donate remotely to the ongoing ministry needs of SMC

- 1) Mail in your check. The USPS is still in operation so any checks received through the mail will be securely held and collected Sunday evenings for recording and deposit the following week.
- 2) Utilize your bank's on-line bill pay. Simply set up the church as payee and have your bank mail a check on whatever frequency meets your personal finances. For this option you need only the name of the church and address (1311 Centerville Ln, Gardnerville NV, 89410). These paper checks will be picked up the same time as mailed in checks.
- 3) Set up direct deposit through your bank. Direct deposit electronically transfers funds from your account to the church's account (no checks or mail involved). A separate church checking account has been set up at BofA for this purpose and the funds deposited into the account will be recorded to the giver's tithing record each week. To set this up you need only the church's account and routing number. With these two numbers you can set it up on-line or at your local branch. (account: 501025061578, routing:122400724)
