

DANIEL Part VII
"The Rock that Rolls"
Reference: **Daniel 2:34-45** continued
Pastor Larry Webb

There were five anatomical components to this image and each component represented a different human kingdom and government:

- The **head** made from gold represented the ancient **neo-Babylonian Empire**.
- The **chest** and **arms** made from silver represented the **ancient Medo-Persian Empire**.
- The **belly** (mid-section) and **thighs** represented the **ancient Grecian Empire**.
- The **legs** made from **iron** represented the **ancient Roman Empire**.
- The **feet** made from both iron and clay represent the fifth and final form of human government that is still future: the **revived Roman Empire**.

There is strong opinion that this revived Roman Empire exists now in the _____.
